

Alpha Omega Academy

2022-23 Education Investment

Our two greatest investment opportunities as parents are: The Kingdom of God and our children. At Alpha Omega Academy, your investment covers both of these priorities! The Lord says the greatest commandment is, "Love the Lord your God with all your heart, with all your soul, and with all your mind. And the second is this, 'Love your neighbor as yourself.'" (Matthew 22:37-38)

We know that a primary responsibility for a parent is your child's education (at least 13 years of their first 18 years are focused on school). We believe education is an investment. AOA combines the Word of God and classical education to give your child a solid foundation to build the rest of their lives upon. The optimum foundation is a 13-14 year process that continuously builds upon core academics and spiritual truths.

We are here to assist parents to share the love of Christ; and to train and teach children both spiritually and academically with challenging curriculum. Our goal is to see graduates go and impact the world as Christian leaders and lifelong learners.

At Alpha Omega Academy, there really is a difference!
