

Alpha Omega Academy

2026-27 Education Investment

At Alpha Omega Academy, we believe the two greatest investments a parent can make are in the Kingdom of God and in their children. Our mission is to help you invest in both. As the Lord commands, the greatest commandment is to "Love the Lord your God with all your heart, with all your soul, and with all your mind. And the second is this: 'Love your neighbor as yourself.'" (Matthew 22:37-38).

As parents, we know that your responsibility is to guide your child's education - a responsibility that spans over 13 years of their first 18 years of life. We view education as an investment. Alpha Omega Academy integrates the Word of God with classical education to provide your child with a strong foundation upon which they can build their lives. This foundation is constructed over 13-14 years, continually reinforcing core academic and spiritual truths.

Our goal is to equip parents in sharing the love of Christ and to provide children with both spiritual and academic training through a challenging curriculum. We strive to see our graduates go out into the world as Christian leaders and lifelong learners.

At Alpha Omega Academy, there truly is a difference!
